

Kelso's Song

Try an Alternate Way

You gotta stop, think and try a better way.

Before you get in trouble
and spoil your day.

*You can solve your problem
and still have time to play,
if you try an alternate way.*

You can share, talk, or walk away.

Apologize or turn away.

*You can solve your problem
and still have time to play,
if you try an alternate way.*

You can relax, join another band.

Say stop or try and shake a hand.

*You can solve your problem
and still have time to play,
if you try an alternate way.*
