Kelso the Frog

Kelso teaches 9 ways to manage conflict that empower children to solve their own small problems, and know when to ask for help for big problems.

More than 25 years ago,

while working with children at the elementary level, Kelso creators Barbara and Diane saw the need for a **simple + pragmatic** conflict resolution program, and they were inspired to create Kelso's Choice.

For a peaceful school.

TRUSTED BY EDUCATORS NATIONWIDE.

Kelso's Choice empowers our students to become strong decision-makers and problem solvers. I love the variety of teaching tools like the curriculum guides, handouts, DVDs, question cards, puppets and more, as it allows us to reach all learning styles. I always begin teaching Kelso's Choice every year to build a foundation of coping skills that will help foster healthy friendships and classroom environments! Thank you Kelso for giving us choices kids can use for life!
